Collezione 2023

In una logica di slow-design, invitiamo a soffermarsi sui dettagli che rendono unici i nostri arredi. Dedica del tempo per accogliere le sensazioni che provengono da forme inedite e materiali raffinati. E immagina ogni prodotto valorizzato in contesti personalizzati.

Tra le novità 2023 ci sono tavoli e complementi scultorei, arricchiti dall'unione di finiture metallizzate e naturali. Le sedute confortevoli sono rivestite con pellami dai colori ispirati a terre rosse e pietre grezze. Infine, la linea organica Argile, si amplia per sviluppare la nostra idea di design sostenibile.

La nostra collezione nasce da necessità e in contesti precisi, ma ha le caratteristiche per durare una vita ed essere camaleontica.

2023 Collection

With a slow-design approach, we invite you to linger on the details that differentiate our products. Dedicate time to welcome the sensations that come from unique forms and refined materials. Imagine each piece showcased in personalized settings.

Among the 2023 novelties, there are sculptural tables and complements, enriched by the match of natural and metallic finishes. Comfortable chairs are covered in colored leathers, inspired by red sands and rough rocks. Ultimately, we widen the organic Argile range to develop our idea of sustainable design.

Our collection has come into being from precise needs and contexts, but it has attributes to last a lifetime along with a remarkable versatility.
