EN Complex objects for complete environments, research and experimentation, all contributing to the culture of contemporary design.

Exploring new conceptual and aesthetic trends, Giorgetti offers an increasingly multifaceted collection to satisfy the countless needs of its public.

The values of Italian manufacturing on which the company has built its centuries-old tradition are a precious heritage that, year after year, Giorgetti makes available to the creative thinking of architects, designers and artists.

"To ensure consistency in the evolutionary process of a brand with 125 years of history, it is essential to start from the roots, from those deep values that have guided the company's history to the present day."

Giovanni del Vecchio, CEO Gruppo Giorgetti

The 2021 collection confirmed the profitable collaborations with **Roberto Lazzeroni, Carlo Colombo and M2Atelier**, bearers of design visions in a company that makes the most of traditions and skills in materials processing.

Year after year, Giorgetti analyses evolutions in living habits, in residential and public spaces, and often interweaves and combines skills and technologies from the two areas.

Outdoor living is the protagonist of contemporary life. The **boundary between indoor and outdoor** is increasingly thinner and the typical elegance of indoor environments, made of research on details, design of shapes, preciousness of materials, conquers the outdoor. A great interpreter of this revolution in living is Giorgetti which, season after season, has been able to translate the needs of the open-air spaces in an increasingly articulate way, transforming gardens and terraces, hotels, restaurants and yachts into true open sky rooms for an experience of style and maximum comfort.

New colour palettes, brighter and bolder. The textile research for 2021 has led to the introduction of fabrics with classic weaves such as Infinity Cord, interpreted in a modern way as in Infinity Zoom which weaves colours and directions. Natural fabrics such as Biarritz, Gardenia and Peonia, range from geometric to irregular weaves.

With the introduction of the Aldia collection and its variants for the outdoor, new finishes for the tops, that harmoniously blend with the rest of the collection: Palladiana made of marble, travertine and walnut fragments embedded in a marble powder mixture.

IT Oggetti complessi per ambienti completi, ricerca e sperimentazione, all'insegna del contributo alla cultura del progetto contemporaneo.

Indagando nuove tendenze concettuali ed estetiche, Giorgetti offre una collezione sempre più sfaccettata per soddisfare gli innumerevoli bisogni del suo pubblico.

I valori della manifattura italiana su cui l'azienda ha costruito la sua secolare tradizione sono un prezioso patrimonio che, anno dopo anno, Giorgetti mette a disposizione del pensiero creativo di architetti, designer e artisti.

"Per garantire coerenza al processo evolutivo di un brand con 125 anni di storia è fondamentale partire dalle proprie radici, da quei valori profondi che hanno guidato la storia dell'azienda fino ai nostri giorni."

Giovanni del Vecchio, CEO Gruppo Giorgetti

La collezione 2021 ha confermato le fruttuose collaborazioni con **Roberto Lazzeroni, Carlo Colombo e M2Atelier**, portatori di visioni progettuali in un'azienda che valorizza al massimo tradizioni e competenze nella lavorazione dei materiali.

Anno dopo anno, Giorgetti analizza le evoluzioni nelle abitudini del vivere, negli spazi residenziali e in quelli pubblici, e spesso intreccia e combina competenze e tecnologie delle due aree.

La vita all'aria aperta è protagonista della contemporaneità. Il **confine fra indoor e outdoor** è sempre più sottile e l'eleganza tipica degli ambienti interni, fatta di ricerca sui dettagli, studio delle forme, preziosità dei materiali, conquista l'open air. Grande interprete di questa rivoluzione dell'abitare è Giorgetti che, stagione dopo stagione, ha saputo tradurre in maniera sempre più articolata le esigenze degli spazi esterni, trasformando giardini e terrazzi, hotel, ristoranti e yacht in vere e proprie stanze a cielo aperto per vivere un'esperienza di stile e massimo comfort.

Nuove palette cromatiche, più accese e spavalde. La ricerca tessile per il 2021 ha portato all'introduzione di tessuti con trame classiche come Infinity Cord, interpretati in modo moderno come in Infinity Zoom che intreccia colori e direzioni. Tessuti naturali come Biarritz, Gardenia e Peonia, spaziano da trame geometriche ad armature irregolari. Con l'introduzione della collezione Aldia e delle sue varianti per outdoor, nuove finiture per i top, che si integrano armoniosamente al resto della collezione: palladiana formata da frammenti di marmo, travertino e noce annegati in una mescola di polvere di marmo.

“The sofa is the place where many of our daily activities take place. The one in my house, for instance, is very deep, which allows me to use it to read, relax or sleep, but also to work or eat something. In Vesper I brought some of these concepts: I wanted to create an island that can be inserted into rooms, that moves naturally within the space.”

“Il divano è il luogo dove accadono molte delle attività quotidiane. Quello di casa mia, per esempio, è molto profondo e ciò mi permette di usarlo per leggere, rilassarmi o per dormire, ma anche per lavorare o mangiare qualcosa. In Vesper ho riportato alcuni di questi concetti: volevo creare un’isola da inserire negli ambienti, che si muove all’interno dello spazio con naturalezza.”

Poltroncina con struttura in massiccio di noce canaletto disponibile in tre finiture: naturale (fin.11), grigio (fin.2W) e scuro (fin.2Z) e gambe con inserto in metallo verniciato finitura pewter (5L).

Il cuscino schienale appoggia su un tubolare in metallo verniciato pewter (fin. 5L) ricoperto in pelle. L' imbottitura del cuscino schienale e seduta è realizzata in poliuretano espanso schiumato a freddo e rivestito in fibra, con cinghie elastiche ad aumentare il comfort di seduta.

Il rivestimento del cuscino seduta e schienale, sfoderabile, può essere realizzato nelle versioni:
• in tessuto, con seduta e schienale realizzabili in due tessuti differenti

- pelle
- con seduta in pelle e schienale in tessuto o viceversa

Entrambi i cuscini sono caratterizzati da un piping in pelle della stessa tonalità del rivestimento della struttura schienale.

I puntali delle gambe sono in alluminio verniciato pewter (5L).

—
Armchair with structure in solid canaletto walnut available in three finishes: natural (fin.11), grey (fin.2W) and dark (fin.2Z) and legs with pewter (5L) painted metal insert.

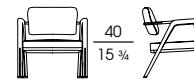

The back cushion rests on a pewter painted metal tube (fin. 5L) covered in leather. The padding of the backrest and seat cushion is made of cold-foamed polyurethane foam covered in fibre, with elastic straps to increase seating comfort.

The seat and backrest cushion covers are removable and can be made in the following versions:

- in fabric, with seat and backrest available in two different fabrics
- leather
- with leather seat and fabric backrest or vice versa

Both cushions feature leather piping in the same shade as the upholstery on the backrest structure.

The leg tips are made of pewter painted aluminium (5L).

Serie di divani componibili con: struttura schienale in poliuretano espanso schiumato a freddo con inserto strutturale in metallo e rivestito in fibra; seduta in poliuretano espanso flessibile a quote differenziate rivestito in fibra, con cinghie elastiche ad aumentare il comfort di seduta. Il divano è dotato di un basamento in poliuretano espanso schiumato e cinghiale rivestito in tessuto o pelle, che presenta una base di appoggio in MDF verniciato nero. Il rivestimento, sfoderabile, è disponibile nelle versioni:

- in tessuto o pelle monocolore;
- con il basamento in pelle, lo schienale e il cuscino seduta in tessuto o pelle;
- con il basamento e la parte esterna in pelle e l'interno e il cuscino seduta in tessuto o pelle.

Per ogni elemento del divano si consiglia di acquistare, almeno, un cuscino in piuma d'oca.

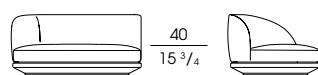

—
Series of modular sofas with: backrest structure in cold-foamed polyurethane foam with structural insert in metal and covered in fibre; seat in flexible polyurethane foam in different densities covered in fibre, with elastic straps to increase comfort.

The sofa has a base in polyurethane foam equipped with elastic straps, upholstered in fabric or leather, with a black painted MDF supporting base.

The removable cover is available in the following versions:

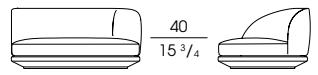

- in one colour fabric or leather;
- with leather base, backrest and seat cushion in fabric or leather;
- with the base and external part in leather and the internal part and seat cushion in fabric or leather.

For every sofa element, it is recommended to buy at least one goose feather cushion.

Clamp Designer: m2atelier

Tavolini con struttura in metallo finitura pewter (fin.5L). Disponibili in tre altezze. Sono concepiti per vivere sia indipendenti sia per trovarsi, nel sovrapporsi l'uno all'altro, una felice convivenza che sottolinea il loro segno grafico.

Sia il piano superiore che quello inferiore sono sempre caratterizzati da un bordo laccato effetto metallo liquido titanio con un inserto disponibile in:

- pelle nelle varianti disponibili a catalogo
- noce canaletto nelle finiture: naturale (fin.11), grigio (fin.2W) e scuro (fin.2Z)
- vetro verniciato color peltrox

Piedini in PVC. Viene fornito un kit di piedini in feltro.

Small tables with metal frame in pewter finish (fin.5L). Available in three heights. They are designed to stand alone or to find, by overlapping one another, a graceful combination that highlights their graphic sign.

Both the upper and lower tops always feature a lacquered edge with titanium liquid metal effect with an insert available in:

- leather in the colours available in the catalogue
- canaletto walnut in the following finishes: natural (fin.11), grey (fin.2W) and dark (fin.2Z)
- pewter-coloured painted glass

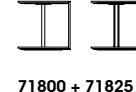

PVC feet. A set of felt feet is supplied.

Houdini Designer: Roberto Lazzeroni

Serie di mobili contenitori disponibile nelle varianti: singolo o doppio, in acero o noce. La struttura è in multistrato e curvato, MDF impiallacciato e massiccio di noce canaletto naturale (fin. 11) o acero grigio tortora (fin. 2B). Decorazione ad intarsio triangolare dove il gioco di chiaro scuro è ottenuto tramite la direzione della vena verticale e orizzontale.

Tutte le cerniere sono in metallo verniciato pewter (5L) in entrambe le versioni, acero e noce.

Il mobile è dotato in tutte le sue varianti di luci a LED con sensore di accensione e spegnimento in dissolvenza.

L'inserto dei ripiani è in vetro temperato bronzo per la versione in noce e grigio per la versione in acero.

Piedini regolabili in altezza, ogni anta è dotata di una ruota, regolabile in altezza, per agevolarne l'apertura.

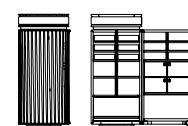

—
Series of cabinets available in the variants: single or double, in maple or walnut wood.

The structure is in plywood, curved, veneered MDF and solid natural canaletto walnut (fin. 11) or dove grey maple wood (fin. 2B). Triangular inlay decoration where the interplay of dark and light is obtained through the direction of the vein. All hinges are in pewter painted metal (5L) in both maple and walnut versions.

The cabinet is equipped in all its variants with LED lights with fading on and off sensor.

The insert of the shelves is in bronze tempered glass for the walnut version and grey for the maple version.

Height-adjustable feet, each door is equipped with a wheel, adjustable in height, to facilitate opening.

Shirley Designer: Carlo Colombo

Panca in multistrato di pioppo con: imbottitura del sedile in poliuretano espanso flessibile a quote differentate, rivestito in fibra e gambe in metallo con poliuretano espanso flessibile monoquata rivestimento in fibra.

La panca Shirley è disponibile in due dimensioni e con rivestimenti:

- monocolore: con seduta e gambe in pelle o tessuto, anche di due categorie differenti.
- bicolore: con seduta in tessuto e gambe sempre in pelle

Il rivestimento seduta, non sfoderabile, è arricchito da un piping ton sur ton. Piedini in Faggio 54.

Specchiera a parete, con vetro extrachiaro. Struttura verniciata in effetto metallo liquido finitura titanio e cornice in metallo rivestita in pelle.

La specchiera può essere montata a muro sia in verticale che in orizzontale.

La specchiera è disponibile con o senza illuminazione integrata.

Nella versione elettrificata la cornice retroilluminata ospita al suo interno una sorgente led ad alta resa cromatica (3.000K).

Interruttore touch on-off sul lato destro della struttura.

—
Poplar plywood bench with: seat padding of flexible polyurethane foam in different densities, covered in fibre and metal legs with single-density flexible polyurethane foam covered in fibre.

The Shirley bench is available in two sizes and with upholstery:

- single colour: with seat and legs in leather or fabric, available in two different categories as well.
- bicolour: with fabric seat and leather legs

The seat cover, which is not removable, is enriched with ton-sur-ton piping. Beech 54 feet.

Wall mirror, with extra clear glass. Structure painted in titanium-finish with liquid metal effect and metal frame covered in leather.

The mirror is available with or without integrated lighting.

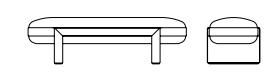

It can be installed on the wall either vertically or horizontally.

In the wired version, the backlit frame houses a high colour performance LED source (3.000K). Touch on-off switch on the right side of the structure.
